

RESPECT

NOVEMBER -DECEMBER 2018.

We will examine the ways we can practice the Virtue of RESPECT. THE VIRTUES PROJECT™ Educator's Guide defines Respect as "an attitude of caring about people and treating them with dignity. Respect is valuing ourselves and others." In our assembly and during Virtue Buddy readings, the following is a summary of the subjects covered:

- We practice The Golden Rule: we treat others as we want to be treated, family included.
- Our behavior is guided by our virtues, and we behave in ways that make us grow in self-respect.
- We are courteous and polite to all.
- We knock before entering a room.
- We keep our hands to ourselves.
- We observe and are respectful of others' personal space and belongings.
- We are on time, every time.
- We play by the rules.

We will emphasize that in order for us to be respected by others, we must first practice not only respect towards others, but respect of ourselves.
