

EdStock '23 is Coming June 7

At 6:30pm (doors at 5:45pm) on June 7th, we are thrilled to invite the St. Edmund community (open to ALL) to join us for one of our favourite traditions, with all of the students performing amazing music accompanied by our in-house Parental Unit band.

This year's theme is **Neurodiversity**. All of the music in EdStock this year will be by musicians who are neurodivergent. They'll be sure to rock your world!

EdStock is also our biggest fundraiser of the year with funds raised through the sale of tickets, merchandise and concessions. All the funds raised are reinvested to pay for school activities throughout the school year.
